利航光电科技有限公司

LEOMAY TECHNOLOGY CO.,LTD

COMPANY PROFILE

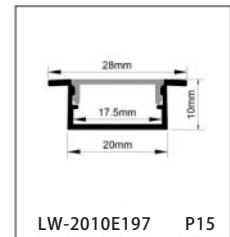

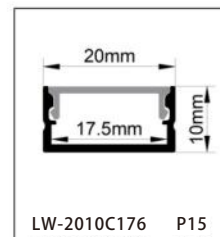

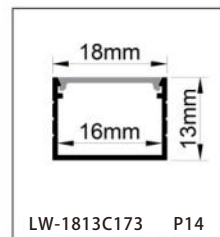

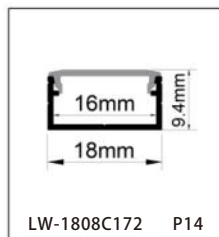

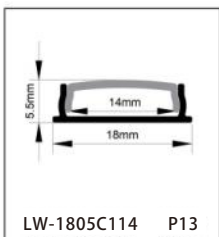

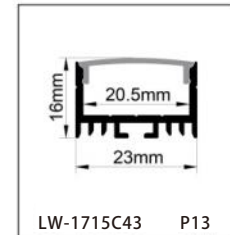

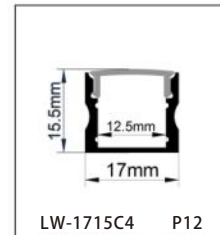

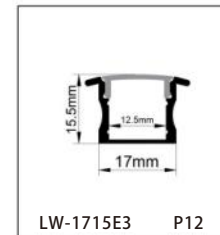

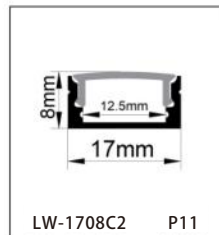

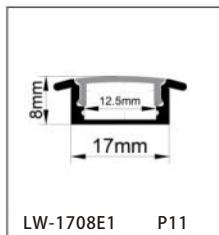

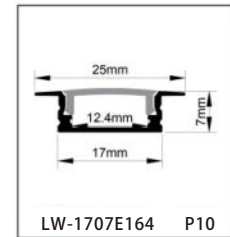

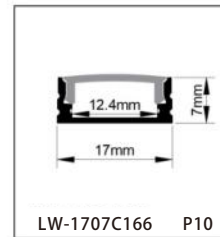

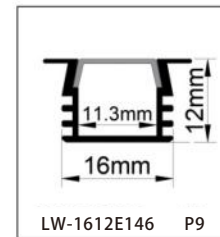

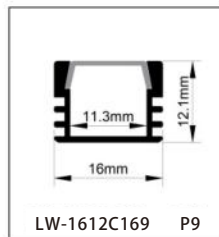

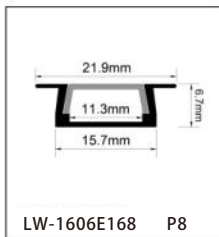

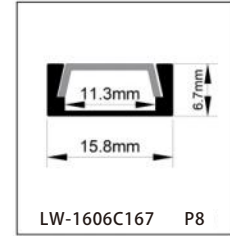

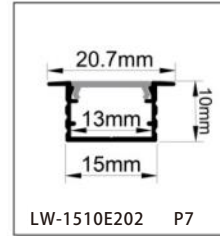

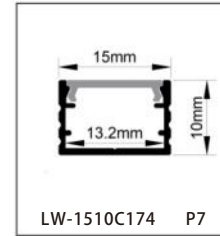

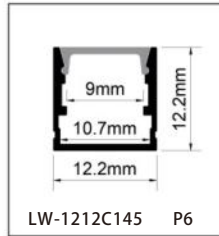

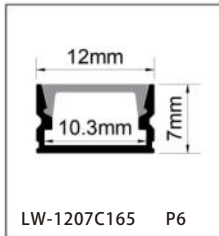

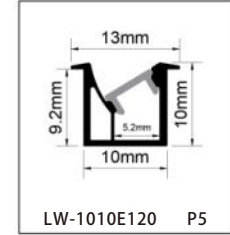

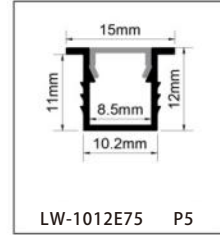

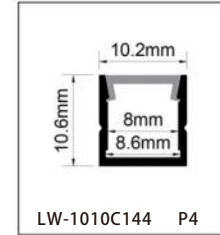

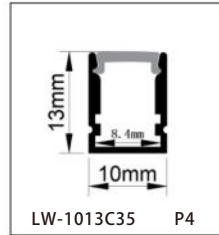

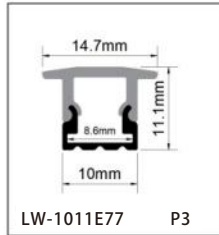

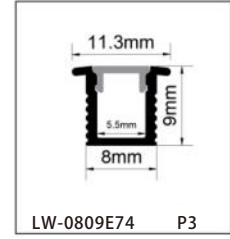

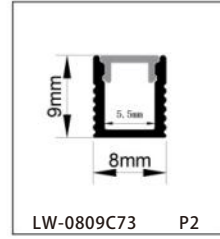

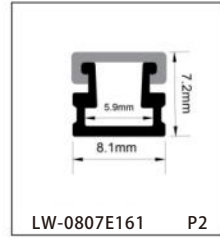

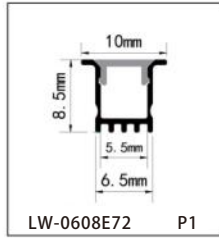

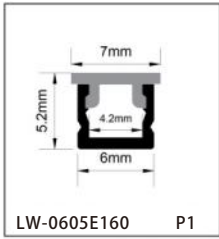

Leomay Technology Company Limited was established in 2011, we specialized in LED Aluminium Profile. More than 100 types of LED Aluminum Profiles, widely used in commercial, office, shopping mall, hospital, building external and home decoration.

Our LED Aluminum Profiles are made with standard 6063-T5 aviation aluminum, high-strength thick pure aluminum, oxide layer 12-13 μm , good heat dissipation, sufficient firm to withstand trample. The PC covers are made of German brand Bayer rubber material with a UV-stable thickness of 1.5 mm, anti-yellowing and good transmission.

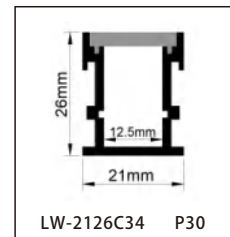

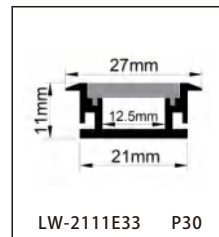

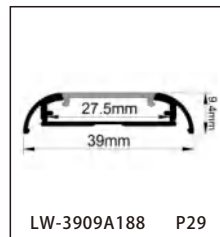

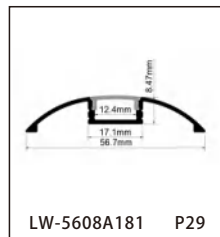

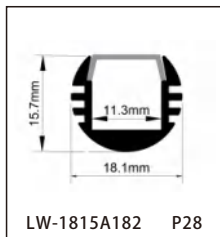

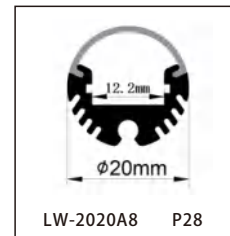

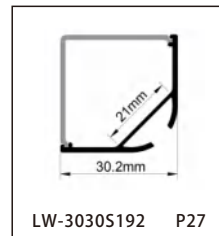

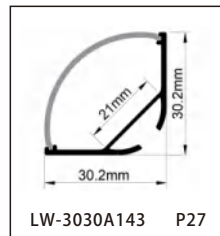

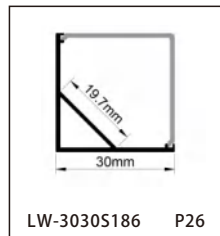

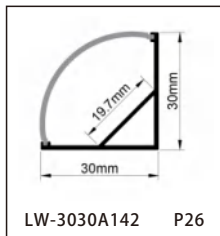

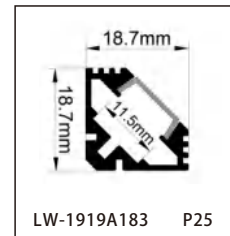

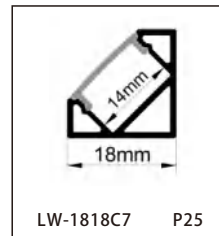

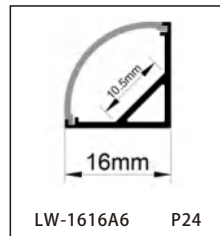

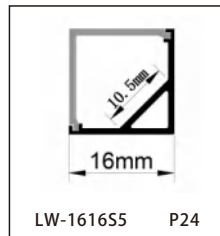

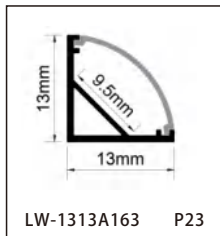

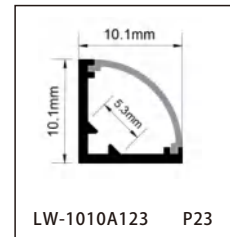

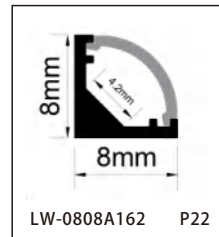

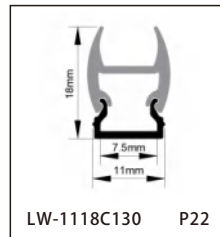

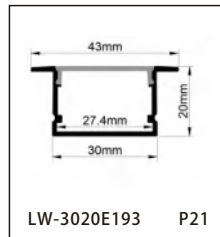

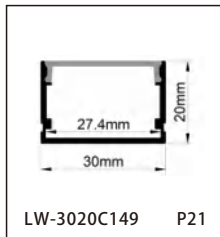

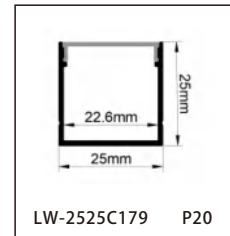

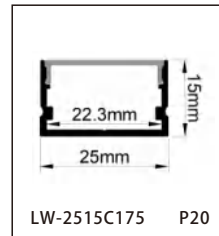

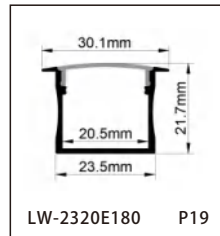

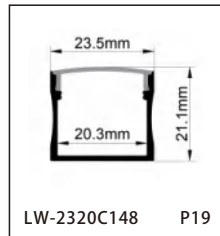

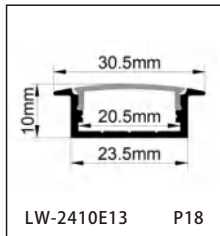

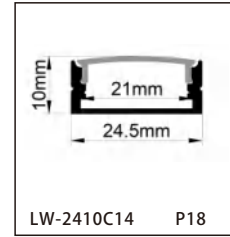

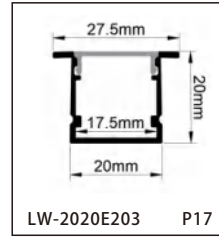

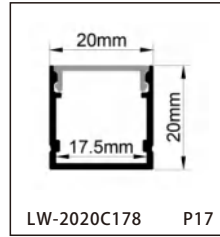

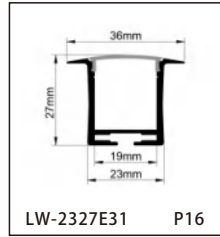

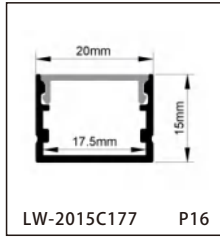

As an experienced manufacture in LED Aluminum profile, We have a strong technique team consisting of many experienced talents in the fields of LED Aluminum Profile. Our company insists on the principles of "Safety, Efficiency and Reliability". With continuous high technology innovation, new generation of high quality LED profile come out to meet different demands. Our products have good reputation and are hot in Europe, North America, Australia and Asia market. With CE & ROHS certification, abundant inventory, superior materials, and excellent service, we maintain superior quality and competitive cooperation for valued customers worldwide.
